Tim:

Thank you for the opportunity to review. We also request a final copy before publication or a red line strike-out after others in the Agency have submitted comments.

Becky and Linda,

Attached please find a draft manuscript authored by Mark Strynar that James McCord that reports results of our non-targeted PFAS work in the Cape Fear. Note that this manuscript is making its way through clearance and has not yet been submitted for publication. It is being provided to you for your review and awareness. Publication is likely several months away. If you have any questions or concerns about the manuscript, please let me know by August 31<sup>st</sup>. Please do not distribute the article beyond what is needed for your organizational awareness and review. In parallel, the manuscript will also be undergoing review within ORD and

EPA's Program Offices.

Thank you.

Tim Buckley
